Supporting the [Summerville Miracle League](#) is easy, affordable and fun!

Lowcountry Muscle Car (LMC) is a Summerville-based auto club with over 75 members who wish to share their passion with our community while supporting the *Summerville Miracle League* in their mission to enhance the lives of people with special needs. Once again, we ask for your support for this year's show which will be held on *Saturday, October 21st, 2023*. With your help, this year will be better than ever!

Dear Auto Enthusiast!

Together with the merchants and residents of our community, **Lowcountry Muscle Car (LMC)** partner together once again to host our annual fundraising car show to benefit the *Summerville Miracle League (SML)*!

Since 2012, the **Dream Machines Open Auto Show** has attracted many attendees, but we depend on the added support of our friends in the business community. Your support helps to defray costs which maximizes the donations because 100% of donations less expenses goes directly to the charity. If you have never been involved before, we hope you will consider joining us! For those of you who have supported us in the past, we would like to welcome you back this year and ask you for your continued support.

Our Sponsor Information Packet has information on our levels of sponsorship as well as information if you would like to be a vendor. To be a sponsor or vendor, simply fill out the application and mail it in! Also for your convenience we also provide the ability to register online quickly and easily at <https://lowcountrymusclecar.com>.

The *Summerville Miracle League's* ability to continue to operate is due in large part to the generous support of individual donors who believe in their mission, as well as gifts from businesses and corporations. Your donation is also tax deductible due to their not-for-profit status (**Fed Tax ID# 26-0504677**). Thank you for your continued support.

Why be a Sponsor?

We understand that a sponsorship must be beneficial not only to the show, but also the participating sponsor. We strive to create a long term relationship with our sponsors and our supported charities. Our car shows are all about maximizing contributions to the charity. By being a sponsor, your tax deductible contribution is used to cover the expenses of putting on the show and 100% of any overage all goes to the charity. We ask for your support for this year's show.
